Have you used START telehealth services? Are you a youth or young adult ages 14-35?

WE WANT YOUR OPINION

We want to hear what youth and young adults with developmental disabilities have to say about their experiences with START telehealth services.

This is a research study. For more information, contact us at: Start.TelehealthStudy@unh.edu.

Joan Beasley at the University of New Hampshire is in charge of this study.

UNH IRB #: FY2022-232
